Work completed (9 of 10)

- [x] Kitchen counters and backsplash wiped
- [x] Stovetop and exterior of appliances cleaned
- [x] Microwave cleaned inside and out
- [x] Sinks and faucets scrubbed and polished
- [x] Bathrooms: toilet, tub/shower, and vanity cleaned
- [x] Mirrors and glass streak-free
- [x] Dusting: surfaces, shelves, and baseboards
- [x] Floors vacuumed and mopped
- [ ] Beds made / linens changed
- [x] Trash emptied and liners replaced

Job notes

Stovetop had baked-on grease on all four burners. Soaked and scraped with a glass-safe blade, no scratches. Hard-water spots on the shower door are mostly gone; a few etched spots near the bottom track did not come out and are likely permanent. Beds skipped today as requested; clean linens are folded on the dryer. Low on dish soap under the sink.
